Correction: Targeting the angiotensin II type 2 receptor (AT2R) in colorectal liver metastases

Eleanor I Ager*, Way W Chong, Shu-wen Wen, Christopher Christophi

Correction

After publication of this work [1], we noted that we inadvertently failed to properly acknowledge all of our funding agencies. The acknowledgements section has now been modified accordingly.

Acknowledgements

This work was supported by Cancer Australia's Priority-driven Collaborative Cancer Research Scheme and is co-funded by Cancer Australia and Cure Cancer Australia Foundation. We would also like to thank the CanToo fund raisers. Dr Ager is supported by an NHMRC Post-doctoral Training Award. Ms Shu-wen Wen is supported by an Australian Rotary Health Research Fund PhD Scholarship. We would like to thank Professor Mauro Sandrin and his team from the xenotransplantation group at Austin Health (Australia), Dr Russell Hodgson and Claire Lin, for their help with CFSE and PI staining and analysis.
